Honorable Edward K. Murrow  
Director  
United States Information Agency  
Washington 25, D. C.

Dear Ed:

Thank you for your letter of January 12, regarding arrangements for collaboration between our respective agencies. I agree that my agency should continue to deal on policies, themes, and operations with Mr. Thomas C. Sorensen, your Deputy Director for Policy and Plans. On our side Messrs. Dick Helms and [REDACTED], who has replaced [REDACTED] will be 25X1A Mr. Sorensen's point of contact for substantive matters. As 25X1A previously, [REDACTED] will continue to represent us in day-to-day liaison.

Additionally, we will see to it that matters involving security of the USIA or its personnel are handled by us with the Director of your Office of Security, Mr. Paul J. McNichol. In our judgment these continuing arrangements for liaison have worked well to date and I am sure they will continue to do so.

Sincerely yours,

(Signed) Marshall S. Carter
